Subject: Notice of Revised tentative general Waste Discharge Requirements (WDRs) for Residential Onsite Wastewater Treatment Systems

The California Regional Water Quality Control Board, Los Angeles Region (Regional Board) will consider tentative general Waste Discharge Requirements (WDRs) for residential onsite wastewater treatment systems a public hearing on June 10, 2004. The tentative general WDRs were issued for public comment on March 29, 2004 and were revised on April 7, 2004 in order to make clerical and technical clarifications. Since that time, staff has received initial written and verbal comments on the tentative general WDRs and has made revisions to the tentative general WDRs, including the deletion of Attachment A and the revision of Attachment D, in order to incorporate those comments.

Copies of the revised documents can be obtained from the Regional Board website at www.swrcb.ca.gov/rwqcb4 (select the "Tentative Permits" link). Please contact Jenny Newman at (213) 576-6808 for additional information or to obtain a hard copy of the documents.

***A Public Hearing will be held on June 10, 2004
at 9:00 a.m. at the Metropolitan Water District of Southern California
700 North Alameda Street, Los Angeles, CA***

Written comments and exhibits on the revised tentative general WDRs must be submitted to the Regional Board no later than **4:00 p.m. on May 20, 2004**. Comments should be submitted to:
